# Japanese Creepy Bunting!

You will need:
- String
- Glue or tape
- One triangle per student
- Colouring pencils/pens

How to make the bunting:
1) Give a triangle to each student and ask them to colour it in following the key.
2) Ask your students to cut out the shape including the white flap.
3) Flip the triangle over and fold the flap down. Lay the string in the newly made crease – fix with glue or tape.
4) Repeat these steps with every triangle, leaving a little space between each so it will hang nicely.
5) Enjoy your new bunting!
