Les Jeux Olympiques ont lieu tous les quatre ans. C'est l'événement sportif le plus important dans le monde et presque tous les pays y participent. Les premiers Jeux Olympiques modernes ont eu lieu en 1896 et les derniers Jeux Olympiques ont eu lieu à Tokyo. Aux Jeux Olympiques, les habitants de la ville hôte se plaignent du coût, de la circulation et de l'impact sur l'environnement, mais la compétition réunit le monde entier par le sport, ce qui peut être généralement très positif.
