

Spanish Christmas Bunting!

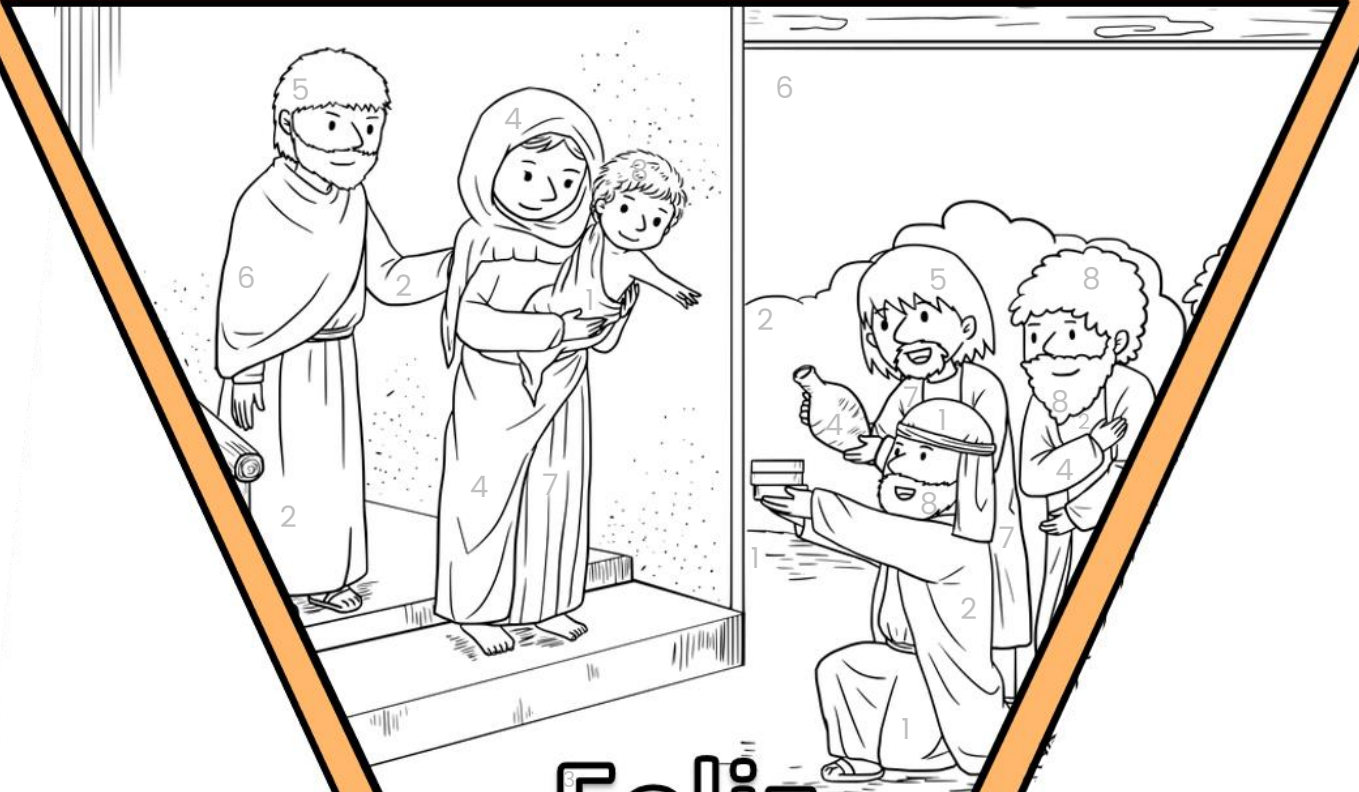

You will need:

- String
- Glue or tape
- One triangle per student
- Colouring pencils/pens

How to make the bunting:

- 1) Give a triangle to each student and ask them to colour it in following the key.
- 2) Ask your students to cut out the shape including the white flap.
- 3) Flip the triangle over and fold the flap down. Lay the string in the newly made crease - fix with glue or tape.
- 4) Repeat these steps with every triangle, leaving a little space between each so it will hang nicely.
- 5) Enjoy your new bunting!
