

# Spanish Christmas Tarsia Puzzle

## What to do:

- 1) Ask your students to cut out all 9 triangles
- 2) Your students then have to translate the Spanish words on the triangles and match them to the English words.
- 3) Encourage your students to keep going until they have matched all of the words - they'll end up with a giant triangle!

snowman

el hombre de jengibre

stocking

stars

bauble

el calcetín navideño

gingerbread man

el árbol de Navidad

la bola de Navidad

Santa Claus

la estrella

Christmas Pudding
