

French Christmas Crossword - Easy

The game's goal is to fill in the empty white squares with letters, by translating the English words to French.

What to do:

- 1) Print out the crosswords and cut the page in two.
- 2) Give each student or team of students a crossword.
- 3) Ask your students to translate the English words into French and to fill in the empty squares.
- 4) For some extra help, the first and last letters are already included.
- 5) Enjoy!
