

French Bunting

Halloween

You will need:

- String
- Glue or tape
- One triangle per student

How to make the bunting:

1. Give a triangle to each student and ask them to colour it in following the key.
2. Ask your students to cut out the shape including the white flap.
3. Flip the triangle over and fold the flap down. Lay the string in the newly made crease – fix with glue or tape.
4. Repeat these steps with every triangle – ensure to leave a small space between each triangle so the bunting hangs nicely.
5. Enjoy your new bunting!

Joyeux

Halloween!
